

CHAPTER CHATTER

Welcome back! We hope you had a wonderful summer and a smooth start-up. It was great to see each other during the first week. Many of us have changed schools and we wish you all the best as you adjust to your new place(s). It is exciting to see increases in library time and opportunities to do more collaboration. As well, we would like to welcome the 22 new teacher-librarians that are in our district. Because we are usually the only t-l in the school, it can sometimes feel isolating. Please know that you are not alone. The Chapter and our Helping Teacher, Lynne Powell, are here to support you. We would like to encourage everyone to attend our meetings. It is a great place to get new ideas and be with others who understand what this job entails. We also have a couple of openings on the executive and are looking for anyone interested in joining us. If you have not yet become a Chapter member, please send \$15 to Kendall Brothers at Cloverdale Traditional (courier #004).
