BCTLA Fall Council Meeting:

The BCTLA is pleased that new chapters are being formed in various parts of the province. Our PSA had the largest group in attendance at the Super Conference.

BCTF president, Glen Hansman, said that the BCTF is helping districts, like Surrey, with local contract negotiations and is looking for ways to attract more teachers to BC.

The "From Library to Library Learning Commons" document has been updated and is on the BCTLA website. The "Points of Inquiry" document is in the process of being revised.

T-l courses are available from: UBC, U of Alberta, and Queens University. U of the Fraser Valley tried to offer a course this summer, but not enough people registered for it.

Thank you to Christine, Jeanette, Juniper and Tammy for representing Surrey at the meeting.

Please do the **Working & Learning Conditions survey:**

It provides the BCTLA with valuable information.
